MIRADOR

BAR & RESTAURANT

white wine

Vibrant and fresh, shaped by five Latin terroirs.

Sauvignon Blancs from Chile's coastal valleys, Torrontés from Argentina's mountain heights, Albariños from Uruguay, expressive whites from Peru's sunlit Ica Valley, and crisp Chenin blends from Mexico—each glass reveals a new expression of our continent's beauty.

red wine

Passion from every glass, identity from every region.

From the bold Malbecs of Argentina to the elegant Carmeneres of Chile, the powerful Tannats of Uruguay, the high-altitude blends of Peru, and the sun-drenched Syrahs of Mexico—our red wines invite you to explore the diverse soul of Latin America
